

**Saint Joseph/Saint Robert Parish
CYO
Out of Parish Eligibility**

Dear Parents,

We would like to take this opportunity to extend a warm welcome from the Saint Joseph/Robert School and the Saint Joseph/Robert CYO. As the new school year quickly approaches we wanted to provide some general information on the eligibility rules for all athletes attending Saint Joseph/Robert School from other parishes.

All student-athletes that attend a parish school that is different from their registered parish are permitted to participate in either the parish school CYO or their registered parish CYO program. However, they must establish a preference prior to registering for any CYO sport. Upon establishing which program they would like to participate in, they must participate in the designated program for the remainder of the CYO year. Playing the same sport for 2 different CYO programs is not permitted. However, should the chosen preference program not offer a particular sport, then the student-athlete may participate, for that sport only, with a CYO program that was not selected.

We hope this helps ease any concerns regarding this matter. If you have any further questions or concerns, please contact the Saint Joseph/Robert Athletic Director. A complete list of eligibility rules is available in the Region 11 Handbook found at www.region11cyo.org.

Thank you and God bless you for your support and cooperation.

The Saint Joseph/Robert CYO Board
